Valley View Road Reconstruction Project

Dear Resident:

Stage 1 (Valley View Road – Braemar Boulevard to Mark Terrace Drive)

Due to the weather, completion of Stage 1 has been delayed. The frequency of rain events made it difficult to place the wall, especially near the existing creek and wetland adjacent to Braemar Boulevard. A dewatering system was placed to keep the area dry so crews can complete the wall construction. The contractor has submitted a revised schedule and plans to complete Stage 1 by Aug. 14.

Stage 1 Detour

Detour signage is in place to route thru-traffic north on Valley View Road. Please adhere to the detour if your destination is on Valley View Road north of Mark Terrace Drive.

Stage 2 (Valley View Road – McCauley Trail to Braemar Boulevard)

The contractor is scheduled to begin removal of the pavement in Stage 2 by Wednesday, July 22. Site utility work within Stage 2 is not expected to begin until mid-August, once Stage 1 is complete.

Special Events or Access Needs

Please call me if you have any special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

Who to contact with Questions or Concerns

Please call me at 763-287-7149 or emails me at aplowman@wsbeng.com to discuss any concerns or questions you might have regarding the project. You can also contact the project inspector, Kris Kemp at 612-214-2855

For more information on this project, visit www.EdinaMN.gov/valleyviewroad. Please encourage your neighbors to sign us for City Extra as this will be our primary means of communication throughout the project at www.EdinaMN.gov/cityextra.

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are often fascinated with construction equipment, so please keep them away from the construction area. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,
